Harold and I had a little communication problem recently. I cleared Rel when I am bitten I bite back. I was accused of Changing his manuscript, I didn't so I told him so in no uncertain Terms. Hal was relying of hearsay and learned differently when he got his manuscript in the mail. I learned early on to not mess with his manuscripts.

I've adopted you and Hal as my grand parents, so I'm always looking out for you two. Hope you like your chocolate. I'll see you soon for Christmas. I'd like to see you at home and up and about.

I got your notes back to back of the T-day Holiday. I am glad you liked your flowers. It took a little effort to locate a florist from Idaho and to communicate what I wanted for flowers for you. I hope you are back home by the time I arrive in Frankfurt ~ 9 Dec 98.
